•Pile Up! Bakery™ Rules

- The assembly line will continue to move left and right as it drops sweets. Drop the sweets from the assembly line at the right time to ensure that they pile up as high as they can go.

Next Sweet

This displays the next sweet that will drop onto the assembly line. Use this to plan ahead as you build up your piles of sweets.

- If the piled-up sweets are poorly balanced, they will crumble and fall. If that happens, you will need to build up the piles again, so be careful.
- When the time limit expires, the player with the highest pile of sweets will win.

• All Kinds Of Sweets

Sweets come in a variety of different shapes and sizes. You will need to learn how to handle sweets with unusual shapes.

• Find The Balance

Some sweets can be handled by dropping them off to the side of the screen. Find the perfect balance for your sweets and pile them up accordingly.
